8. [REDACTED] LIAISON Pat Long, House Permanent Select Committee on Intelligence staff, called to tell me that they had made a mistake in the 24 January letter from Chairman Edward P. Boland (D., Mass.) to the DCI. We agreed that we would talk about it further tomorrow, but Mr. Long told me that essentially the Committee wanted a representative of the Central Intelligence Agency to be in touch with the Committee to assist the Committee in making its annual report to Congress called for under H. Res. 658. Mr. Long added that the request for a representative of the Director of Central Intelligence will be corrected in writing by the Committee.
